An informal drop-in format usually around a theme, open to all members.

**Making the Most of Membership**

These regular lunchtime sessions aim to help new/existing members to use our website to post profiles, jobs and events as well as learning about our activities and to start networking.

**Cambridge Corporate Gateway**

This 2-day event provides an opportunity for members to meet potential business partners from global companies in a series of 1-2-1 pre-arranged meetings. It is run in the Spring and Autumn of each year, and attracts companies such as Procter & Gamble, Philips, Pepsico, Google and Infosys.
