Special Interest Group events are FREE for Corporate Members of Cambridge Network, including all staff and students of the University of Cambridge and Anglia Ruskin University. If you would like to come to any event please register online at the webpages listed.

**Type of Cambridge Network events:**

**Cambridge Network Special Interest Groups ('SIGs')** aim to provide a platform where mainstream technology members of the Cambridge Network can interact with those companies focused more specifically on particular topics. They are led by Founder members who want to develop regional networks around their own specific interests.

SIGs are either market-oriented (Cleantech, Consumer, Defence & Security, Healthcare, IT & Infrastructure), or functional (Finance Directors, Sales, IP). SIGs meet at least 3 times per year for seminars of 40-60 people who are active in the topic of discussion. Cambridge Network runs SIGs in the following areas:

- **Consumer Products & Supply:** Championed by Procter & Gamble and Cambridge Consultants.
- **Cleantech:** Championed by: TTP and Johnson Matthey, in association with Envirotech
- **Defence & Security:** Championed by Marshall of Cambridge and Cambridge Consultants
- **Developing World:** Championed by PA Consulting and Unilever
- **Entrepreneurship:** Championed by Ernst & Young.
- **Financial Directors:** Championed by: Deloitte and Xaar.
- **Healthcare:** Championed by: TTP, Philips, NHS East, Mills & Reeve
- **IT:** Championed by: Anglia Business Solutions
- **Sales:** Championed by: Red Gate Software Ltd

**Open Meetings**

Open to both members and non-members, these are our largest meetings featuring high-profile speakers. An Open Meeting kicks off each Corporate Gateway session, plus there will be one or two others during the year.

**Café Networking**

An informal drop-in format usually around a theme, open to all members.

**Making the Most of Membership**

These regular lunchtime sessions aim to help new/existing members to use our website to post profiles, jobs and events as well as learning about our activities and to start networking.

**Cambridge Corporate Gateway**

This 2-day event provides an opportunity for members to meet potential business partners from global companies in a series of 1-2-1 pre-arranged meetings. It is run in the Spring and Autumn of each year, and attracts companies such as Procter & Gamble, Unilever, Samsung, Philips, Pepsico, Google and Dow.
